COMPANY NAME : YALTES ELEKTRONİK VE BİLGİ SİSTEMLERİ ÜRETİM
VE TİCARET ANONİM ŞİRKETİ
Sanayi Mah. Teknopark Bulvarı No:1/2-A Pendik/İSTANBUL

The audit carried out to confirm that your company's quality assurance system complies with AQAP-2110 requirements has been completed.

It is certified that your company's quality assurance system explained in Quality Manual KG.ELK.001.T (Rev.:4.8) dated on 24 June 2022 and complies with AQAP-2110 requirements for production mentioned below.

“Design, production, integration, installation and testing of command and control systems, multifunctional operator consoles and subsystem interface unit cabinets, military and national security software, military purpose radar simulators, fire control radar simulators, point defense guided missile simulators and laser warning system simulators.”

This certificate is valid until 29 September 2025 by 17.00 o'clock.

Ministry of National Defence of the Republic of Turkey Quality Assurance Authority will continuously monitor and audit effectiveness and application of the quality assurance system.

This certificate may be subject to cancellation if changes and renewals to be made in the system defined in Quality Manual presented to the Ministry of National Defence are not submitted to and approved by Ministry of National Defence previously or in the case that results of reviews are negative.
